CONDITIONS 2013

LIGHT ON GLASS, PHOTOGRAPHY AND HAIKU

LICHT, GLAS , FOTOGRAFIE(K) EN HAIKOE

1. generalities

- artonivo likes to be an excellent space for an outstanding presentation of artworks.
- the exhibitions take about 2 months
- there is need to minimum 3 artists of different disciplines (2013: 1 glass artist + 1 photographer + 1 graphic artist + 1 haiku author)
- the artists in each exhibition agree to exhibit their work jointly

2. art o nivo offers:

- the location
- the setting up of the exhibition (your help will be very appreciated)
- the presentation in situ of the artists
- the insurance at the spot
- the permanence
- the confectioning of a coloured 'in situ' exhibition brochure
- an artists meeting on the displayed exhibition

3. on artists side

- they take in charge the transport and insurrances during transport
- specific agreements for transport to belgium from neighbouring countries can be made
- publicity about the artist: books and other publicity material of the presented artist could be disposed on the gallery (eventually books to sell with some % for our association)
- in case of selling: public price, minimum 40% for artonivo and 60% for the artist
- the haiku author releases the copyright of the presented haikus to artonivo for and during the exhibition

4. transport regulations:

the cases may not exceed 80 cm in the width. (= VERY IMPORTANT !)

length and hight are not important. please better more cases of few weight as less cases of heavy weight.
